

# **FRIENDS OF JOSHUA ASUMENG BADU (F-JAB)**

---

We are pleased to pick the nomination form of 5000 cedis for **Joshua Asumeng Badu (JAB)** having officially declared his intention to contest for the parliamentary candidate slot ahead of election 2024 on the ticket of the NDC in Ofoase-Ayirebi Constituency.

It is pertinent to underscore that **JAB** resonates well with the people of Ofoase-Ayirebi Constituency across political divide. He embodies the aspirations and the ideals of the teeming youth in the constituency. We see the light of the youth beaming strongly with him helping the Ofoase-Ayirebi project come true. It is instructive to note that among the candidates who have picked forms, so far, Joshua is unmatched in terms of understanding the constituency dynamics.

It is his sense of hard working buttressed with his high standards of integrity and values that made us, branch executives, culminated into friends of Joshua made this bold step to pick the nomination form to unseat the clueless Kojo Opong Nkrumah who has retarded development in the constituency.
